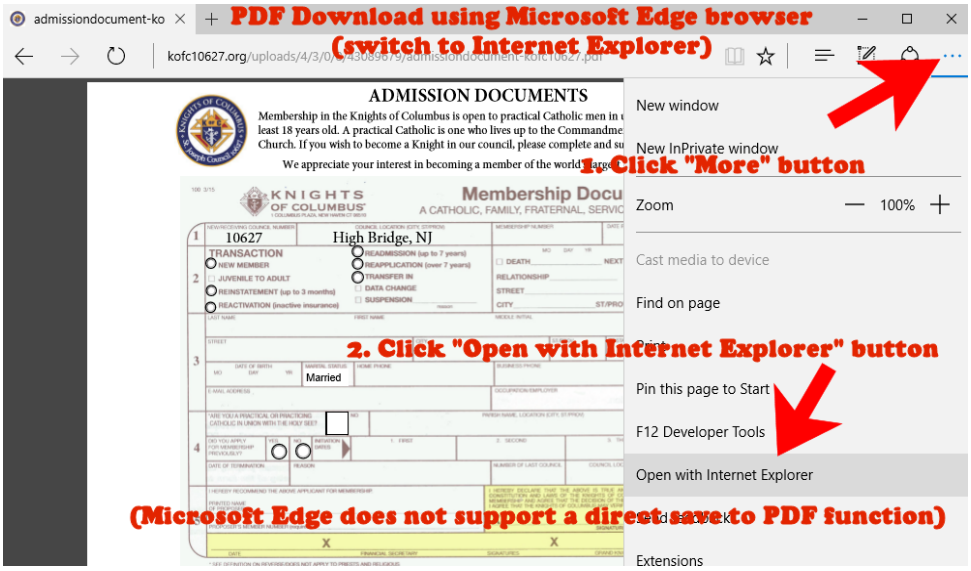
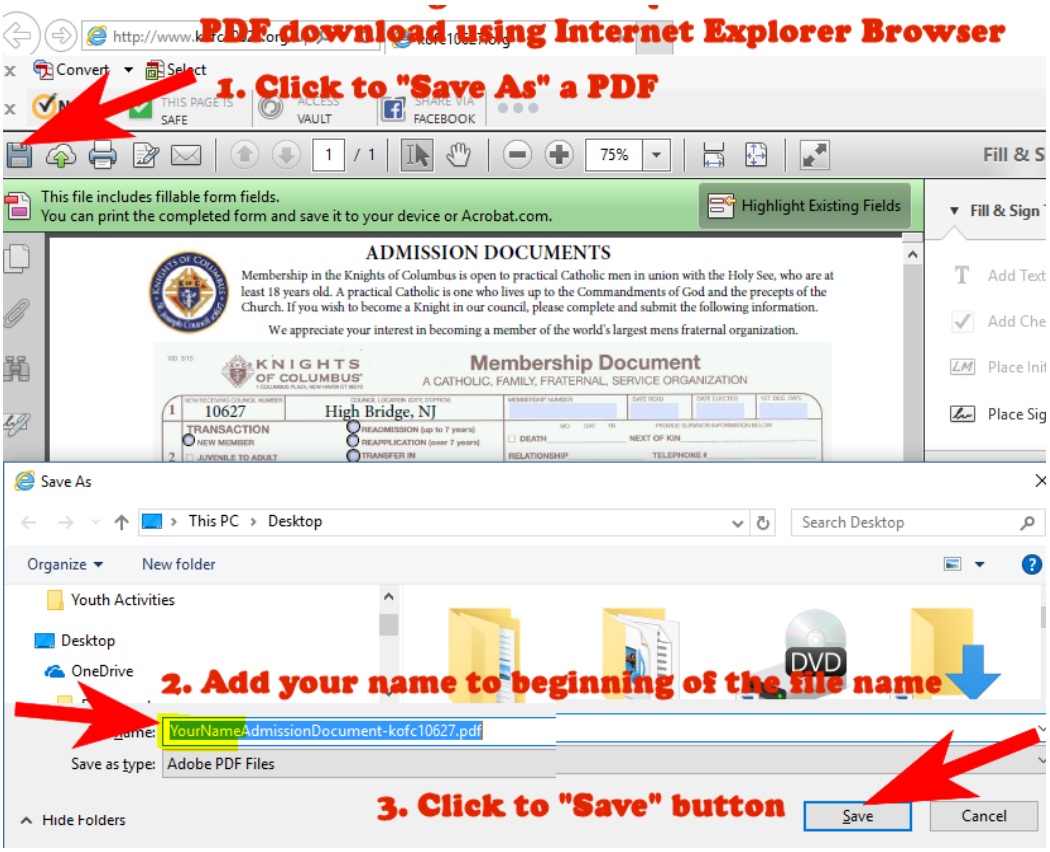
Downloading St. Joseph Council 10627 Admission Document with different web browsers

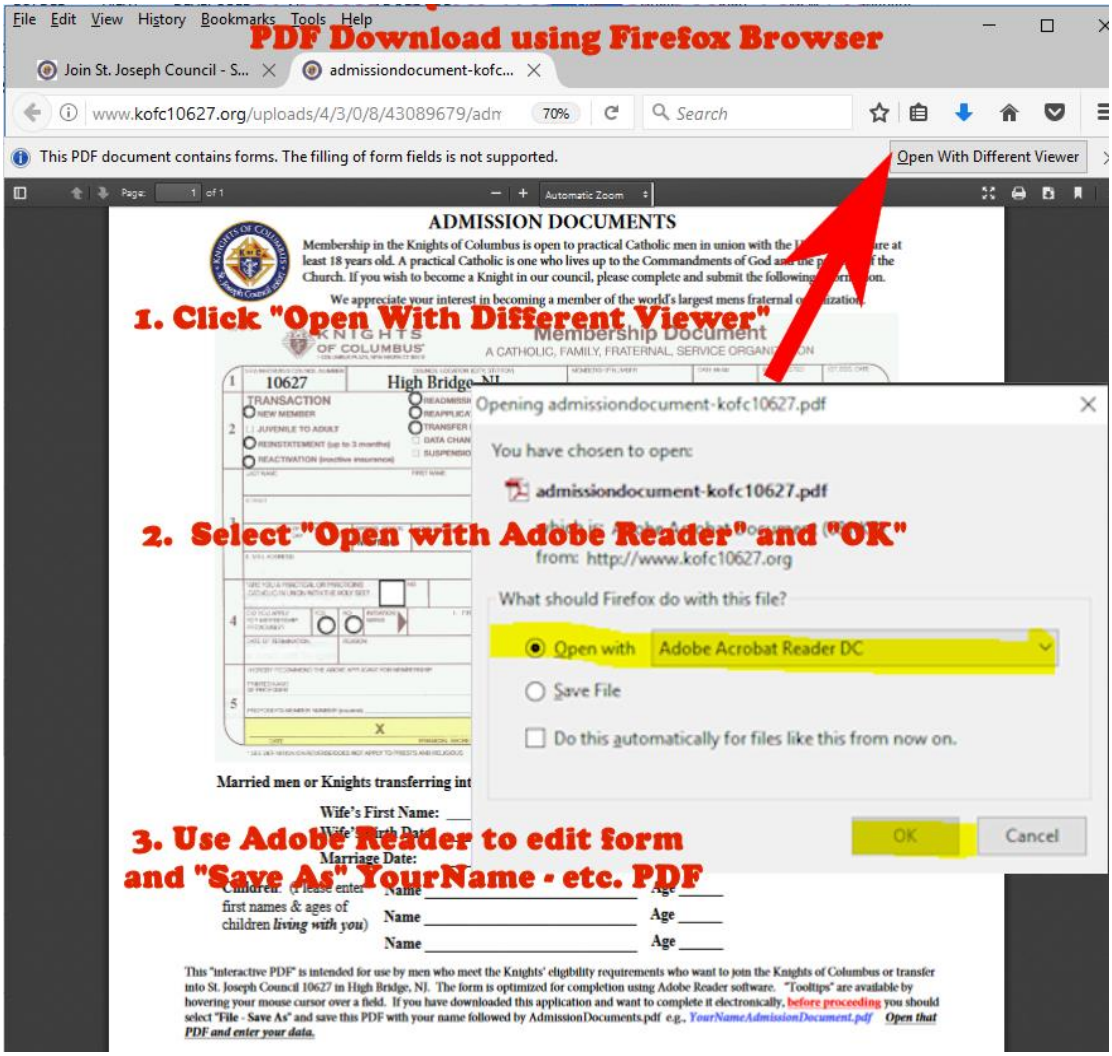
Web browsers do not support effective use of an interactive PDF so the objective is to download the Admission Document to edit it and save it using Adobe Reader or Adobe Reader DC software.

Internet Explorer was the standard browser shipped with Windows until Windows 10 when Microsoft made Microsoft Edge their default browser. "MS Edge" does not provide the functionality to edit or save the PDF but Microsoft also included the option to switch to the Internet Explorer browser. Here's how:



Once you open Internet Explorer, here's how to save your Admission Document as a PDF to be edited with Adobe Reader:





Other browsers such as Mozilla Firefox offer different options to save your Admission Document as a PDF to be edited with Adobe Reader:
