The Covid-19 pandemic has occupied the world's attention since early last year and caused us to cancel our Charity Golf Day last June. Despite that, St. Joseph Council was able to contribute more than one-half million dollars during 2020 in support of our community, families, life and church! We accomplished that through the individual efforts of members who supported activities as volunteers.

We cannot continue to provide our service to others without your help!

Please join us at our 8th Annual Charity Golf Day

Thank you for coming back!

St. Joseph Council remains committed to the founding principles of the Knights of Colum-
