As Catholics we believe that abortion kills children and that the Church supports the sanctity of human life from the moment of conception until natural death. While Life Programs are here to oppose abortion and support pregnant women so they can deliver a healthy baby, there is more to be considered than just abortion. We must also promote proper end of life care in accordance with the teachings of the Church.

Membership Director:

We are called upon to invite every Catholic gentleman and their families the opportunity to join our Order. The best way for a man not to join our Order is by not inviting and offering him and his family the opportunity to join us.

The Membership Director oversees and coordinates recruitment of new members, ensures that members becomes involved in the activities of the council and works with the Retention Activity Leader on proactive and reactive efforts to maintain membership.
