

# Annual Survey of Fraternal Activity

## 20\_\_\_\_ Individual Member Worksheet --- St. Joseph Council 10627

**Fourth Degree Knights should report assembly activities to their assembly!**

**Every council must submit a report to Supreme with total number of hours of Faith in Action service volunteered by members.**

The data used by the Supreme Council to prepare the articles that we see in Columbia Magazine and elsewhere about the great work Knights perform around the world comes from our Fraternal Activity Reports. Those annual reports provide both the value of each council's money contributions, and the value of the work we Knights do in charitable and fraternal service work in council activities and as individuals. The economic value of what we do is significant and important to the Order! According to Independent Sector, a nationwide coalition of charities, foundations, corporations, and individuals, one hour of volunteer time is **worth nearly \$30 in New Jersey!** For example, when any of us serves at a one-hour mass as a Eucharistic Minister, or every time we help with Offertory collection—the economic value is nearly \$30! That really adds up, but in order for it to be useful to the Order, members must provide our information to the council! **Please report your data below.**
